

ALEC MATTHEW STANLEY

Engineering Student at Monash University (Clayton Campus)

Phone: 0413 970 596

Email: stanleyalec283@gmail.com

Studying Aerospace Engineering (Honours) and Astrophysics at Monash University, Clayton VIC. Highly driven and well-rounded student, team leadership experience living on campus and team supervisor at Coles supermarkets.

Well-developed understanding in engineering including CAD proficiency, coding skills in MATLAB, Python, C++ and Mathematica, teamwork-oriented projects, and 3D printing, as well as a thorough understanding in theoretical concepts such as thermodynamics, aerodynamics, tensors and mathematical modelling.

EMPLOYMENT

- | | |
|---------------------|--|
| 2019 - present | <p>Service Supervisor - Coles Supermarkets</p> <p>Skilled as a leader in effective time management and communication within a team under high pressure environments. Able to de-escalate conflict between staff, and between staff and customers. Developed understanding of systems for inventory management, financial reports and POS systems.</p> <p><i>Coles, East Victoria Park, Perth WA until Jan 2023</i>
<i>Coles, Southland, Melbourne VIC from Feb 2023</i></p> |
| Feb 2024 – Jun 2025 | <p>Resident Advisor - Richardson Hall, Monash University, Clayton</p> <p>Managed events and handled sensitive incidents for a diverse student population as a Resident Advisor, requiring active listening, respect, and courage as a leader. Demonstrated skills in adaptability, effective time management, and composure while navigating complex interpersonal dynamics and supporting students through challenges.</p> |

EDUCATION

- | | |
|----------------|---|
| 2023 - present | <p>Monash University Clayton Campus</p> <p>Bachelor of Engineering (Honours) and Bachelor of Science</p> <p>Double degree, specialising in aerospace engineering and astrophysics respectively. Completed minors in physics and mathematics.</p> |
| 2009 - 2022 | <p>Ursula Frayne Catholic College - ATAR 98.65</p> <p>Well-rounded, high performer, studied top levels of mathematics, as well as English, Physics, and Modern History. Engaged in various student leadership roles, including Arts Rep in Year 12 and lead roles in various school musical theatre productions.</p> |

SKILLS AND INTERESTS

- Proficient in C++, Python and MATLAB, as well as thermodynamics and aerodynamics
- Used Mathematica for advanced mathematical modelling
- CAD proficiency in SolidWorks
- Outside of work and academics, I enjoy running, Muay Thai kickboxing and quality time with friends.

REFEREES

- | | |
|---|--|
| Sheldon Castelino - 0405 452 101 | Dep. College Head at Richardson Hall, Monash Uni Clayton - staff member I worked closely with in 2023 as student leader. |
| Don Karunanayake - 0466 598 116 | Current Service Manager at Coles Sandringham - worked closely as team supervisor at Coles Southland. |
